

## MAP OF HAILSHAM TOWN CENTRE

If coming from Lewes or Uckfield directions, you will come in on the A295 London Road (top left) - proceed through traffic lights into the High Street (one way!) and turn right at the end (NatWest Bank on your right) into George Street (also one way). The Pavilion is about 100 yards down on your left. Car parks can be found by turning next left into Victoria Road, or by turning right at the next roundabout ( there is a short footpath into George Street).

If coming in from Battle or Hastings directions, you will pass the Hailsham Community College on your right. At the traffic lights, turn left, through next lights into High Street (one way), and then directions as above.....

If coming in from the south (eastern end of Eastbourne, Langney, Hastings and the coast, you will come in at the bottom of the map above. Would suggest you turn into North Street, and use the car park there. You cannot go straight into George Street from this direction as it is one way.

If you get lost, ask directions or follow signs for the Police Station - the Pavilion is almost opposite!

If you have SatNav, the postcode of the Pavilion is .... **BN27 1AE**
